Market Street Gallery participates in the annual San Francisco Open Studios event in October and hosts four to five participating artists. The event weekend dates can change from year to year. Please confirm that you are able participate on the event date. Artists must be present for both Saturday and Sunday of the Open Studio weekend. Selected artists must register with Artspan in time to be included in the annual artist guide.

Selected artists are also expected to contribute to the costs of running the Open Studio event, which include advertising, publicity, mailing and light refreshments. Currently the additional cost per artist is \$60.

Applications are reviewed year-round and selected artists are notified by March 1 of the following year.
